Case No.: 10-02

Jeleta Shinskey

Guide Board Hill Rd., Map 2-17

On June 1, 2010, at 7:00pm, the Zoning Board of Adjustment met to consider a Motion for Rehearing on the above referenced case.

Members present: Chairman Bender and Members Drown, Barnes, Koberski, Corliss, Smith, Bowe, Bourque, Blake and Larochelle.

After lengthy discussion on the merits of the request for a rehearing, the Board voted in favor of approving the request. The Board felt it would be wise to allow the petitioner to present any issues that had not been previously raised. The issues of the frontage (Article IV, section 2) and lot width (Article IV, section 3) should be discussed further. A rehearing would give the Board the opportunity to clarify any remaining issues.

Respectfully Submitted,

Mary Smith
PB/ZBA Secretary
